Dear Yellow Jacket Families:

At the end of May, we will be creating next school year's classes. Our goal is to ensure that students have a strong setting in order to meet their learning needs as we develop well-balanced, heterogeneous classes.

As a parent, we value your input! If there is any information about your child that you would like for us to consider, please fill out the attached Form. Please keep in mind that we cannot honor requests for a particular teacher.

**Please fill out the form below no later than Friday, May 17.** Thank you!

Sincerely,

Stephanie Almquist  
Principal
